

BALLOON SUPERBALLS

STEP 1

Pick a smaller
balloon [9"] and
blow it up NO
LARGER than a
handball.

Tie it closed.

STEP 2

Pick one of the larger [12"] balloons with the neck cut off.

Open it with both hands.

Push and pull and mutter until you get it “wrapped” around the inflated balloon. It’s not easy. Keep trying. ; ^)

STEP 3 Repeat Step 2

STEPS 4 to 7 or so

Cut the neck off more smaller [9"] balloons.

Add layers using the smaller balloons, until you have 7-9 layers.

ENJOY!
